Which animal are you inquiring about? _____

Pre-Adoption Form: Dog

In order to be considered for an adoption, you must: Have the knowledge and consent of all members of the household, be 18 years of age, have a valid identification with current address, your landlord's name and phone number and understand that the LA Animal Shelter must approve of your application.

Adoption Procedure

We usually take a number of applications, which will come in the first few days, especially for the more popular small dogs. We then look at all applications and choose the one that is best for the dog. This means we take a bit longer than most shelters, but we feel it helps us to find the right home for each animal.
